

Dear Lumley Class,

This is Mr Hood here. I just wanted to send you this letter to let you know how I am getting on.

I do really miss you all. I am having to teach my own children at home, and I don't think they are as well behaved as you! We have lessons in the morning and then after lunch they can play in the garden while I do some work.

As I'm not able to go swimming I'm trying to stay fit by doing lots of exercises in the garden, going for a run and taking my children out on their bikes.

It's good to see so many of you logging on to your online homework on 'Active Learn'. I will continue to set some tasks. Please also go onto Education City. Everyone loves this website when we are in school. The login details are:

www.educationcity.com

Username: BullionLanePrimary

Password: prison

Country: England

Any problems logging in please remember your parents can email me.

I hope to see you soon.

Mr Hood

PS For any parent looking for some structure and routine to your day please use my timetable below that I am using with my own children.
