

Hello Wear class!

I hope this letter finds you well!

Me, Gary and Peppercorn have been missing you all a great deal! We've been spending our time roaming through fields and playing cards to pass the time. I'm sure that Gary is cheating but I am yet to prove it. What do you all think?

I have taken this opportunity to re-read a lot of the Roald Dahl books that we studied this year and Peppercorn has been enjoying them especially. Star had never heard George's Marvellous Medicine before and she was so thrilled to hear it, she now wants to make her own doggy concoction.

As we were learning about the Mayans and Mexico, you could make a leaflet, a fact sheet or even do a project researching what you can about the topics.

Don't forget to keep up with your times tables and play 'Hit the Button,' on the Top Marks website too.

I hope that you are all still reading and using the online resources that were given to you. You're all so clever, I don't want anything slowing you down! The most important thing is to STAY SAFE and be sensible. I look forward to seeing you all again very soon!

Don't forget to keep checking the website for extra activities!

Take care,

Mr. Stephenson, Gary, Peppercorn and Star
