

Hello Whizz Kids!

It's been a long time since we saw you! How are you all doing? Your teachers have missed you all and we have certainly missed our busy classroom and our singing, dancing and all your lovely drawings and models!

We know what some of you have been up to from our class Dojo, it's great to see you keeping busy and being helpful. We've had children hoovering, decorating and cooking, which is lovely. We hope you are getting some fresh air and have had a go at some of the tasks we have put on our class story. Remember we are still doing Star of the Week and Dojo Champion and now we have our Home Behaviour Champion too. We also have an egg decorating competition! Easter is just around the corner so have a good look around at all the Spring flowers and remember to send us a picture!

Mrs. Jennings and Mrs. Hedges, along with Mrs. Evans and Miss Watson have all been keeping busy. Mrs. Jennings has even been to Cestria school to help out! We all have children at home (some are quite big children though) so just like you, we all have to help out and tidy up – just like we do in class.

We still have two parents who haven't joined our class Dojo yet – we'd love you to join so you can see what we are all up to and get some ideas on things to do. Remember grown-ups – turn on notifications so you can get Dojo updates, ideas for things to do and English and Maths tasks to try at home. If you haven't joined yet but would like to, you can email us and we can get you on (you can have more than one grown up on):

bullionwhizzkids@durhamlearning.net

Remember Whizz Kids, we are a SUPER class and we all stick together and help each other out. When we get back to school we will have so many stories to tell! Keep practising your reading, writing and counting but most important of all, keep smiling, because that's what we do best!

Love from

Mrs. Jennings and Mrs. Hedges
