

Hi Team Cuthbert!

Hi everyone. We hope you are all well. This week we are going to try something different - live Zoom lessons! For these lessons, a code will be sent to your email address. You input the code into Zoom (either App or website <https://zoom.us/>) and then you will be able to see both mine and Mrs Perry's smiley faces. Some of you are back in school this week too so lots of changes. Here is your timetable:

	Maths	English	Other (pm)
Monday	Can you remember the link between decimals and fractions and their equivalence? Have a look at this ... National Academy https://classroom.thenational.academy/lessons/decimal-and-fraction-equivalence/	Speaking and listening today as we will have a live Zoom session at 10 a.m. to let you know how these sessions will work. Check the website / Facebook page and check your emails around 10 mins before the session is due to begin.	This is a really interesting one to get you thinking. It's about the Treaty of Versailles which was created at the end of World War I. National Academy https://classroom.thenational.academy/lessons/was-the-treaty-of-versailles-fair/
Tuesday	Live Zoom session focusing on place value. Start time will be at 9:30. Watch out for links	Live Zoom session focusing on grammar. Start time 10:45	P.E. with Joe – you can find this on You tube. For today's session, type in PE with Joe live to take part at 9 a.m. You can also complete this activity session at any time during the day.
Wednesday	This follows on from Monday's session. Can you convert a fraction to a decimal? National Academy https://classroom.thenational.academy/lessons/decimal-equivalents-of-fractions/	Today's lesson has a reading focus linked to information in leaflets. National Academy https://classroom.thenational.academy/lessons/information-leaflet-lesson-1-reading-focus/	Have you ever found a fossil? They can be fascinating things. Today you are going to learn about how fossils provide evidence of evolution. National Academy https://classroom.thenational.academy/lessons/how-do-fossils-provide-evidence-for-evolution/
Thursday	Subtracting fractions. Remember to make the fraction the same type before you subtract. National Academy https://classroom.thenational.academy/lessons/subtract-fractions/	This lesson follows on from yesterday. National Academy. https://classroom.thenational.academy/lessons/information-leaflet-lesson-2-reading-focus/	P.E with Joe – as Tuesday.
Friday	Can your brain cope with some problems? Fractions problem solving. Remember to use what you know! National Academy https://classroom.thenational.academy/lessons/fractions-problem-solving/	Do you know what the features of a leaflet are? In this lesson you will find out. National Academy https://classroom.thenational.academy/lessons/information-leaflet-lesson-3-identifying-features/	Following on from Monday's lesson, today we find out how Adolf Hitler rose to power in Germany. National Academy https://classroom.thenational.academy/lessons/how-did-hitler-rise-to-power/

Any written work that you would like reviewed, please send it to the school email address (bullionlane@durhamlearning.net), and it will be sent on to me to look at. If you don't have the equipment needed, don't worry, just do your best to do what you can.

Don't forget about our Facebook page, for any pictures/photographs you would like us to see and comment on. Look forward to seeing your lovely faces!

Thank you and stay safe.

Mrs F & Mrs P
