

## Hi Team Cuthbert!

Hi everyone. We hope you are all well and that you had a lovely weekend. This is our third week of virtual lessons and we are so proud of how hard you are working. The links for each lesson will be sent to your email address (as last week). The times have altered slightly so that other classes can use the account at different times. Friday	Today's lesson is still focusing on shape, thinking about reflection ... <a href="https://classroom.thenational.academy/lessons/to-reflect-simple-shapes">https://classroom.thenational.academy/lessons/to-reflect-simple-shapes</a>	What are the features of a set of instructions? Find out in today's lesson ... <a href="https://classroom.thenational.academy/lessons/instructions-lesson-3-identifying-features">https://classroom.thenational.academy/lessons/instructions-lesson-3-identifying-features</a>	As you have focused on instructions this week in English lessons, as it is Friday afternoon, I would like you to have some Golden Time. Please will you play a game where you have to follow instructions, while at the same time, thinking about what you have learnt during the week. Enjoy!

Any written work that you would like reviewed, please send it to the school email address ([bullionlane@durhamlearning.net](mailto:bullionlane@durhamlearning.net)), and it will be sent on to me to look at. If you don't have the equipment needed, don't worry, just do your best to do what you can.

Don't forget about our Facebook page, for any pictures/photographs you would like us to see and comment on. Look forward to seeing your lovely faces!

Thank you and stay safe.
