### Block graph to show favourite ice cream

1. How many children liked strawberry ice cream?
2. How many children liked cream tea ice cream?
3. How many children liked chocolate ice cream?
4. How many children liked vanilla ice cream?
5. How many children liked mint choc chip ice cream?
6. Which flavour is the most popular?
7. How many **more** children liked strawberry than vanilla?  
(This is a takeaway question, take the bigger number - strawberry away from the smaller number - vanilla.)
8. How many **fewer** children liked cream tea than chocolate?  
(Take the bigger number away from the smaller number)
9. How many children liked vanilla **and** strawberry?  
(add the 2 numbers)
10. How many children are there **altogether**?  
(add them all up)
11. Which is your favourite ice cream?
