

Hello Wear Class!

I hope you are all having fun but also staying safe and at home! Gary is going a bit stir-crazy being locked up every day. However, we have been having a daily walk and Gary has been scavenging for pieces of old, crusty bread in the park. He wanted to go on the slide and swings but I wouldn't let him because - what if his beak got trapped?! I hope you're all behaving a bit more sensibly than Gary.

Take care,

Mr Stephenson & Miss Butler
