<b>Met Standard</b>	67%	71%	60%	74%	88%	60%

- 70% of Y2 children passed the phonics test last autumn. 12 children had to re-take the test in the summer term. 67% of these children passed and those who didn't have made progress from their previous result.
- 74% of Y1 children passed their phonics test in the summer term which is excellent considering these children have barely had one settled year in school.
