

Bullion Lane Primary School Sports Premium 2022-2023

The government is providing additional funding for the academic year 2022/23 to improve provision of physical education and sporting opportunities in primary schools.

Sports Premium Objectives

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary aged pupils to encourage the development of healthy, active lifestyles.

The 5 main objectives which need to be fulfilled are as follows:

1. Engagement of all pupils in regular physical activity
young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
2. The profile of PE and sport is raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

Our sports premium allowance for 2022-2023 is **£18,240**. We aim to use this funding to have a lasting impact on the health and fitness of our children, by promoting healthy lifestyles, improving the teaching of PE, providing opportunities to participate in a range of competitions, to offer a range of out of school clubs and create links with local sporting clubs.
